

# WOOD!

**WE BUY WOOD.\***

**CALL 545-2877 FOR ADDITIONAL  
INFORMATION**

*\* This opportunity is for TKC Shareholders cutting wood on TKC Land.  
Please contact TKC for information on the commercial firewood permit  
program for shareholders*

If we pick up the wood:

\$300 per cord

If you deliver the wood to Bethel:

\$400 per cord

A cord of wood is 4' X 4' X 8' - 128 cubic feet

- Wood must be cut in 4' or 8' lengths only
- Wood must be 4" in diameter or bigger
- Each log will be measured, cubic feet calculated, and added up to see if it equals 128 cubic feet.
- If it is less than 128 cubic feet you will not be paid the full cord price
- Price per cubic foot is \$2.30 if we pick up.
- \$3.10 if delivered to Bethel
- This is for standing dead wood or wood killed by fire
- No green wood, drift wood, or rotten wood
- Higher prices paid for dry birch
